CHILDHOOD CANCER FOUNDATION IRELAND

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2020

The directors present their annual report and financial statements for the year ended 31 December 2020.

Principal activities

In 2020 Childhood Cancer Foundation Ireland in pursuance of its objectives, continued to focus on its three strategic pillars:

- Childhood Cancer Awareness;
- Fundraising for improvements of supports and services to benefit all children in Ireland who are diagnosed with cancer and their families;
- Advocacy on behalf of children and their families.

Fair review of the business

The results for the year and the financial position at the year end were considered satisfactory by the directors.

2020 was a difficult year for all charities, as Covid 19 restrictions meant that services could not be delivered in the same way and many planned activities had to be cancelled or put on hold and it was also, and continues to be, an extremely difficult time for families living with childhood cancer as they worry about how to keep their children safe during a global pandemic. The directors worked hard to mitigate the impact of reduced fundraising income on the charity and its ability to deliver services to families impacted by childhood cancer.

The directors extend their appreciation to all its donors, corporate partners and sponsors for their continued support of the Foundation's work and projects in 2020. We thank all those who supported our fundraising initiatives, as well as organising their own and moved their fundraising efforts online when in-person wasn't an option. Our supporters participated in virtual marathons and undertook various personal challenges - cycles, walks and runs - to raise funds for the Foundation. The Directors also extend their gratitude to all our members, loyal volunteers and supporters who so generously donated their time, particularly to mark International Childhood Cancer Awareness Day on 15th February and during September to mark International Childhood Cancer Awareness Month.

We would also like to extend our gratitude to RTE's The Den and A Classic 4 Kids Cancer for organising awareness and fundraising activities that we expect will raise the profile and funding of Childhood Cancer Foundation Ireland in 2021.

Awareness

Throughout the year, the Foundation continued to promote awareness of childhood cancer with events around International Childhood Cancer Day on 15th February and the Light It Up Gold campaign in September which marks International Childhood Cancer Awareness Month.

Fundraising to support services

Childhood Cancer Foundation Ireland continued to fund Play Services on St John's Ward Haematology/Oncology Day Unit at Children's Health Ireland at Crumlin, ensuring continuation of this essential psycho/social and emotional support service for children who attend the ward daily for their cancer related care and procedures.

The Foundation continued to work in co-operation with St John's Ward to fund the internationally renowned Beads of Courage supportive care Programme by which children mark milestones along their treatment path and helps them to better cope with their diagnosis. The ancillary Siblings Beads Programme was extended out to more families to help and support siblings psychologically and emotionally during their brother or sister's illness.

CHILDHOOD CANCER FOUNDATION IRELAND

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

The Foundation continued to work on its Shared Care Project and invested in equipment for isolation and treatment room facilities for children with cancer hospitalised at Regional Hospitals when not required to attend Children's Health Ireland at Crumlin. The investment in equipment and upgrades to these facilities eases the burden of hospitalisation for these children and their families.

Childhood Cancer Foundation Ireland continued their active involvement in Parent Peer To Peer support, providing emotional support for parents and other adult family members of children and adolescents with cancer in collaboration with the Irish Cancer Society and other stakeholder organisations.

Ongoing evaluation of our projects through feedback from key stakeholders such as parents and medical professionals indicates that Beads of Courage and Play Services help to decrease illness related distress and increase positive coping strategies in children coping with cancer.

Advocacy

Childhood Cancer Foundation Ireland, continued to provide a voice for children with cancer and their families, working with partner organisations including the Irish Cancer Society as a member of the advisory group on Child and Adolescent cancers. Work on the National Cancer Strategy 2017-2026 continued through the Foundations active involvement on the National Cancer Control Programme Childhood Adolescent and Young Adult Cancer Clinical Leads, Survivorship and Shared Care Committees. The meetings continued through 2020 via remote connection to advance the work of these committees. Collaboration continued with other organisations to support the establishment of Long Term Follow Up Care for adult survivors of childhood cancer and other childhood illness groups to advocate on areas of shared concerns.

The Foundation collaborated with CHI at Crumlin to keep patients and families updated with information pertaining to the COVID-19 Pandemic and the implications of the illness for CAYAS (childhood, adolescents, young adults and survivors) patients.

Principal risks and uncertainties

The directors have identified that the key risks and uncertainties Childhood Cancer Foundation Ireland face relate to the risk of a decrease in the level of donations particularly due to COVID 19 pandemic. A number of CSR programmes were on hold as a result of the Pandemic and the potential increase in compliance requirements in accordance with company, charity and other legislation.

Childhood Cancer Foundation Ireland mitigates these risks as follows:

- It continually monitors the level of activity, prepares and monitors its budget targets and projections.
- It has a policy of maintaining significant cash reserves.
- The charity closely monitors emerging changes to regulations and legislation on an on-going basis.
- Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects.

Directors and secretary

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Mary-Claire Rennick
Laura Cullinan
Claire Lanigan
Alan Pearson
Fionnuala Murphy

Results and dividends

The results for the year are set out on page 8.

There are no director interests as the company is limited by guarantee.

CHILDHOOD CANCER FOUNDATION IRELAND

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

Accounting records

The company's directors are aware of their responsibilities, under sections 281 to 285 of the Companies Act 2014 as to whether in their opinion, the accounting records of the company are sufficient to permit the financial statements to be readily and properly audited and are discharging their responsibility by:

- employing qualified and experienced staff, and
- ensuring that sufficient company resources are available for the task, and
- liaising with the company's auditors.

The accounting records are held at the company's office, Main Street, Dunboyne, Co. Meath.

Post reporting date events

There have been no significant events post year end that have affected the company other than the ongoing Covid-19 pandemic.

Future developments

The Foundation intends to continue to advocate for children with cancer through active membership of The National Cancer Control Programme committees and other strategic partnerships. The Foundation plans to continue to fund Psychosocial support projects and its Share Care Project.

Auditor

In accordance with the Companies Act 2014, section 383(2), UHY Farrelly Dawe White Limited continue in office as auditors of the company.

Statement of disclosure to auditor

Each of the directors in office at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 330 of the Companies Act 2014.

CHILDHOOD CANCER FOUNDATION IRELAND

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 31 DECEMBER 2020

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (Generally accepted Accounting Practice in Ireland) issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for that financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board

CHILDHOOD CANCER FOUNDATION IRELAND

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CHILDHOOD CANCER FOUNDATION IRELAND

Opinion

We have audited the financial statements of Childhood Cancer Foundation Ireland (the 'company') for the year ended 31 December 2020 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and the related notes. The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2020 and of its surplus for the year then ended;
- have been properly prepared in accordance with FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

CHILDHOOD CANCER FOUNDATION IRELAND

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF CHILDHOOD CANCER FOUNDATION IRELAND

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that in our opinion:

- the information given in the directors' report is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

We have nothing to report in respect of our obligation under the Companies Act 2014 to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of the Act are not made.

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [http://www.iaasa.ie/Publications/Auditing-standards/International-Standards-on-Auditing-for-use-in-Ire/International-Standards-on-Auditing-\(Ireland\)/ISA-700-\(Ireland\)](http://www.iaasa.ie/Publications/Auditing-standards/International-Standards-on-Auditing-for-use-in-Ire/International-Standards-on-Auditing-(Ireland)/ISA-700-(Ireland)). This description forms part of our auditor's report.

CHILDHOOD CANCER FOUNDATION IRELAND

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF CHILDHOOD CANCER FOUNDATION IRELAND

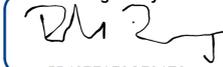

Use of our report

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

CHILDHOOD CANCER FOUNDATION IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1 Accounting policies

Company information

Childhood Cancer Foundation Ireland is a limited company domiciled and incorporated in Ireland. The registered office is with The Charity Regulation Authority and the CHY number is 21198.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2014.

The financial statements are prepared in euro, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest €.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income and expenditure

Income is represented by donations & fundraising events, and is recorded on the date on which they are received. The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the Republic of Ireland.

Expenses include VAT where applicable as the company cannot reclaim it.

1.4 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	33.3% Straight line basis
-----------------------	---------------------------

Freehold land and assets in the course of construction are not depreciated.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to surplus or deficit.

1.5 Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

CHILDHOOD CANCER FOUNDATION IRELAND

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

1 Accounting policies

(Continued)

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in surplus or deficit, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in surplus or deficit, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.6 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

CHILDHOOD CANCER FOUNDATION IRELAND

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.8 Taxation

No change to taxation arises as the company has been granted an exemption under Sections 207 and 208 of the Taxes Consolidation Act 1997.

1.9 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Income

The total income of the company for the year has been derived from its principal activity wholly undertaken in the Republic of Ireland.

Income is represented by grants received, donations and fundraising events, and is recorded on the date on which they are recorded.
